

## **Palisade Classic Mountain Bike Race**

Come on out to Palisade for the 5<sup>th</sup> annual Palisade Classic Mountain Bike Race. The Palisade Classic Bike Race departs from the new Town Center Plaza in Downtown Palisade. New this year is a 34-mile Expert Course that climbs up the slopes of the Grand Mesa crossing above Blowout Canyon and down to Horse Mountain. The views are as stunning as the climb. The Sport Course will be similar to past years but with more single track added. The Beginner Course is 21 miles and the Sport racers ride 24 miles. DT Swiss and our many sponsors have provided some of the best prizes of any race. All the courses are flagged and race course maps are available at Rapid Creek Cycles in downtown Palisade. You can register at Rapid Creek Cycles in Palisade, The Bike Shop in Grand Junction and Singletracks in Fruita or at [www.active.com](http://www.active.com).
